

Dear Wooster OB-GYN Patient,

After 30+ years of practicing Obstetrics and Gynecology I have decided to retire as of July 31, 2022.

I am excited to announce that Drs. Christina and James Miller, a wife and husband OB-GYN team who joined Wooster OB-GYN as associates of our practice 2 years ago will be available to welcome you to their newly launched practice—Monarch OB-GYN. They will continue to see patients at our present Wooster OB-GYN location with many of the same friendly and expert staff that you have grown to love. Even the phone number will be the same: 330-345-2229 (BABY).

With my retirement on 7/31/22, Wooster OB-GYN will cease operations and the bulk of your Wooster OB-GYN records will be transferred to Monarch OB-GYN. No further new orders or prescriptions from Wooster OB-GYN will be available after that date. You will also not receive postcard or phone reminders for annual or follow-up appointments. Please feel free to call us between now and 7/31/22 if you need an appointment with Monarch OB-GYN after 8/1/22 as Wooster OB-GYN is currently scheduling appointments for Monarch OB-GYN.

Please note that all current patients of Wooster OB-GYN, including patients of Drs. Christina or James Miller and Dr. Holmes-Mason, will need to make an appointment to establish care with Monarch OB-GYN after 7/31/22 to receive any order, prescription, or service from Monarch OB-GYN. Keep this in mind for phone requests of prescriptions, orders, or emergencies in the first few months after August 1, 2022.

Please call about 2 months prior to your desired appointment time to schedule an appointment with Monarch OB-GYN. If you should decide to continue your care with a practice other than Monarch OB-GYN, you may obtain copies of medical records once written consent is received.

Dr. Summer Holmes Mason will not be joining Monarch OB-GYN but will see patients at Doxology Health and Fertility in Wadsworth, Ohio, starting in September. Her practice will specialize in restorative fertility and gynecology with a limited Obstetrical practice. You may find more information about her office's mission and contact information at <https://www.doxologyhealth.com/connect>.

Dr. Holmes Mason and I have very much enjoyed being your doctors at Wooster OB-GYN and Drs. Christina and James Miller look forward to sharing the thousands of joyful and milestone moments with you and your families. I wish you the best of health and good fortune in the future.

John Weeman, MD, FACOG
